STEWARDSHIP – A WAY OF LIFE

Thoughts on Stewardship

“He went about doing good and healing all those oppressed by the devil, for God was with him.”
Acts 10:38

As we celebrate the resurrection of Our Lord, we must realize that in rising from the dead, Jesus declares to us that He is truly God and His way is the real way. His commands are real. We cannot ignore them any longer. We must throw off our chains of greed, materialism and selfishness and rise to a new level of giving and doing good, just as Jesus called us to do.

Stewardship of Time & Talent

The Church Decorating volunteers spend many hours enhancing our liturgical experiences through the beauty of sacred art and design in the church. Thanks to all who serve in this ministry!

Stewardship of Creation

Waterless Car Wash – The average driveway wash uses between 80 and 140 gallons of water while sending oil, detergents and other pollutants down the storm drain. Skip the hose and spray on a waterless car wash, like Eco Touch, that breaks down grime & can be wiped off without the rinse.

Treasure: Thank you for sharing!
