Do you know someone in our parish that is alone, or has limited access to parish events or could benefit from some friendly social contact but doesn't necessarily like anyone dropping by? Our Keeping in Touch Ministry has parish volunteers that would love to visit with this person through regular phone calls. If you know someone that we can reach out to with kindness, friendliness and conversation, we

STEWARDSHIP – A WAY OF LIFE

Thoughts on Stewardship

“I say to you, this poor widow put in more than all the other contributors to the treasury.”
Mark 12:43

Notice that in the story of the widow’s mite Jesus did not reach into the treasury box and give the widow back her coins. If He did not exempt her from giving, surely He expects each of us to share what we have to feed the hungry, shelter the homeless, and promote the work of the Church here on earth.

Stewardship of Time & Talent

The Knights of Columbus is the largest Catholic service organization in the world. They serve in the church, the community and the family and are committed to acting on faith and helping the world. Thanks to all who serve in this ministry!

Stewardship of Creation

The US is home to a quarter of the world’s cars but only 5% of the world’s population. Cars and light trucks account for 40% of US oil use and contribute about as much to climate change as the entire Japanese economy – the world’s fourth-largest carbon emitter.

Treasure: Thank you for sharing!
