Fall festival: Donna B. reporting

Father Mike was appreciative of our efforts once again to put on another successful festival and keeping everyone of the grass. Father Mike also suggested the festival being held in the north part of the parking lot in the future. Details to be discussed.

A suggestion was made to put together a type of booklet or pamphlet regarding all the details concerning the fall festival and what every part of it needs so it is accessible by all and everyone knows what is needed if they decide to chair a function.

Volunteers were discussed and it was agreed that more adults are needed during the festival to help with all activities and making sure our teens are busy.

A suggestion of walkie-talkies was introduced to help WINGS members communicate among each other.

If there are any more people or businesses that need to be thanked for donations, please get that info to Pat H.

MOGS has expressed an interest in possibly combining some events. To be discussed further.

Thanksgiving boxes: it was decided that WINGS would help with a table after masses to help pass out the donation cards for the Thanksgiving meals this year.

By-Laws: please review the previously handed out by-laws and e-mail any changes or suggestions to Donna B. by November 21<sup>st</sup>. The by-laws will be discussed and voted on at the December 1<sup>st</sup> meeting.

Wine tasting: the date has been set for January 22, 2010 and Phyllis B. to chair along with Jo P. and Donna B.

Next meeting: Tuesday, Dec 1<sup>st</sup> at a to-be-determined house for our "white elephant" Christmas party. Just a reminder, you bring a wrapped gift that is "recycled" from your home. Please bring a dish or drink to share.
