

## WORSHIP CORE COMMITTEE MEETING NOTES

April 27, 2010

Present: Ranetta Bhusavorakul, Maggie Short, Pat Kowalski, Susie Perkins, Barbara Roufa, Angelica Otera, Dave Mueller

Prayer and Faith Sharing – After the scripture reading, “the ministry of affirmation” was discussed. We are called to encourage one another. Encouragement is a gift of the Holy Spirit.

Barb will lead prayer and faith sharing next time.

Next meeting—May 25, 2010

Music Update--Music was good for Easter. Passion Sunday had sound problems. The Spanish Mass has a new music coordinator: Jose Horton from the Dominican Republic

Lent and Easter— Lectors, EME's, and decorations received favorable comments.

Decorations—Pat announced good news concerning flowers and sacred art. Cheyenne Bacardi, RCIA volunteer, also works with flowers and will lead the altar flowers program. Pat said she had one response for supplying flowers, that being associated with a wedding. Pat also mentioned that one gentleman from our parish is interested in re-finishing pews, many of which need attention. Another gentleman who teaches art at JP2 is interested in sanctuary decorations

Liturgical Calendar – Looking ahead/back—Because of clergy absence, these issues were discussed in a limited fashion with no proposals established. It was suggested that deacons use the term “presiding celebrant” when introducing priests at the beginning of Mass. All present are celebrants.
