**Scripture and Faith Sharing:** Isaiah 50:4-7.

**BUSINESS:**

APPRECIATION DINNER - Friday, June 3

We decided to look into doing something different this year instead of catering from Piggy's. The Piggy's cost is \$8/person and includes the meat, corn casserole, potato salad and tea. We bought desserts, salad, baked beans and alcohol last year for a total cost of \$1147. We served 100 people.

To do a barbecue dinner ourselves: approx \$4/person - about \$600 (based on welcome dinner and alcohol cost) with barbecue and sides

Another suggestion is Bonefish catering their pasta casserole and one other main dish casserole for those who don't like spicy food. We could do the salad, bread, dessert and drinks. Shawn will talk to Joe at Bonefish and get a price for us.

Baked lasagna was also suggested - we would need to bake it at home and bring it to church.

We will finish discussion at the FPU meeting on 4/28.

Pat will do the bulletin announcement and flyer. We will again ask people to bring their own dishes. We will do a choir announcement to remind people to sign up.

SUMMER MINISTRY GATHERING - Tuesday, August 9 - covered dish

Topics: Changes in the Roman Missal - 45 min presentation

Other topics: The role of prayer in your ministry - ask different ministries to share about how they incorporate prayer in their ministry, presentation on how to do faith sharing and ministerial meeting format. Ask Fr. Chris to add to the nuts and bolts presentation given by Debbie Calabro on the changes in the liturgy
